

Confidentiality commitments of the research group members when applying for a research permit

I will undertake not to disclose any material obtained for the purposes of the research project or express any confidential information available during the research project to third parties. The aforementioned commitment entails the obligation of non-disclosure and confidentiality of information I will acquire during the research.

I will undertake to comply with the applicable legislation, in particular the requirements of the EU General Data Protection Regulation and the Data Protection Act, and my responsibility for the lawful processing of personal data.

I will undertake to inform the City's contact person without delay if I become aware of any data security breaches regarding the personal data processed in this research project.

I will undertake to follow the instructions issued by the party granting the research permit on the collection and processing of data.
